WESTCROFT COMMUNITY CENTRE

WE'RE LOOKING FOR TRUSTEES!

If you'd like to help the team at a vibrant community centre to deliver quality services and achieve our ambitious aims - we'd love you on board! Please see details on how to apply overleaf.

About Westcroft

Westcroft Community Centre is a vibrant community space in the heart of Burnage, South Manchester. We exist to empower, inspire and improve the local community, providing support, activities and opportunities for all centre users and volunteers to realise their potential in a safe, welcoming and inclusive environment. In recognition of this, we were awarded the Spirit Of Manchester's 'Community Space of the Year'!

About you

No previous experience or qualifications are needed to be a trustee. We'd love to hear from applicants from all backgrounds. If you have a passion for Manchester, and are interested in people and making things better for your community, please join a board of likeminded people!

We can also offer training if you'd like to develop skills to help you in your role of trustee.

Experience in these areas would be useful for us (but is not required):

- Finance, Business, Treasury experience
- Community Development, Fundraising, Grants and Applications
- Any other Charity work or Board experience

What's involved

We have one meeting every 1-2 months, and all contribute to the continuous development of the charity. We can be flexible about the times and dates that we meet so that they work for the whole group.

Please come along and observe our next meeting in January!

To apply visit www.westcroftcommunitycentre.co.uk/apply
or request an application form from Matthew Barker:
0161 448 8232 or m.barker@southwayhousing.co.uk.
